

**IMPORTANT SAFETY RECALL NOTICE – 22V280**

**This notice applies to your vehicle(s) appearing on the attached list**

June 2022

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Micro Bird has decided that a defect which relates to motor vehicle safety exists in MBII model vehicles, built on GM chassis, year models 2018-2020, manufactured between January 2018, and May 2020, and designed with GenQ seats equipped with Type 2 seat belts.

**So that we can notify you of recalls affecting your vehicle(s), it is important that you inform us of any change or error in your mailing address, vehicle ownership or status.**

(Please use the form at the bottom of this letter)

In certain vehicles, the GenQ seats equipped with Type 2 seat belts may have been attached with insufficient hardware. If so, these vehicles would not comply with the requirements of Federal Motor Vehicle Safety Standards number 207, "Seating systems" and number 210, "Seat belt assembly anchorages".

If a seat is not sufficiently retained, it may at least partially detach from the vehicle in case of impact, increasing the risk of injury to the passengers.

**To complete this recall**, locate the unit(s) in your fleet that appear on the attached List of Recalled Vehicles and order the required parts and download the correction instructions via the GOLs system.

For reimbursement, submit claims with supporting documentation to the GOLs system.

**If you do not have a GOLs account**, contact Micro Bird at [recall@microbird.com](mailto:recall@microbird.com), using **22-091-GUS** or **22V280** in the Subject area, to order parts and correction instructions.

Complete the form section of the List of Recalled Vehicles for each vehicle, either corrected or for which you refuse the recall.

Submit the completed and signed List of Recalled Vehicles, as well as your detailed invoice(s) by email at [recall@microbird.com](mailto:recall@microbird.com), using **22-091-GUS** or **22V280** in the Subject area.

We evaluate that it may take up to three (3) hours to repair your vehicle.

Micro Bird Corporation will reimburse labor to mitigate this recall.

Please send any question or concern regarding this recall campaign to [recall@microbird.com](mailto:recall@microbird.com), using **22-091-GUS** or **22V280** in the Subject area.

If you have leased this vehicle to another person or organization, you must forward this letter to the lessee within ten (10) days

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition.

Should Micro Bird Corporation Inc. fail or be unable to remedy the situation without charge, you may contact:
