IMPORTANT SAFETY RECALL 22509 NHTSA RECALL NO. 22V-283

JUNE 2022

This notice applies to your vehicle identified on the enclosed card.

Dear IC Bus Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

IC Bus has decided that a defect which relates to motor vehicle safety exists in certain 2022 and 2023 CE and RE school buses built 09/22/2021 thru 03/15/2022 with feature code 0008TXK or 0008TXM (Bendix Wingman Prewire option).

REASON FOR THIS RECALL

The suspect vehicles may have been built without the warning label to notify the driver that the collision mitigation system is not operational, as the vehicle was built without a forward radar unit installed.

RISK TO MOTOR VEHICLE SAFETY

Failure to warn the driver that the collision mitigation system is not operational may increase the risk of a vehicle crash.

DEFECT REMEDY

The repair will involve installing the enclosed label on your vehicle if there is no forward radar unit installed.

ACTIONS YOU SHOULD TAKE

1. Park your vehicle on a flat level surface, set the transmission to park or neutral.
2. Set the parking brake and turn ignition key to OFF position.

1 Radar Installed

Figure 2
1 Radar Not Installed

3. Inspect to see if forward radar unit is installed at center of front bumper.
 - a. If radar unit is installed (Figure 1, Item 1), no additional action is required.
 - b. If radar unit is not installed (Figure 2, Item 1), proceed to next Step.

Figure 3
1 Camera
2 Label

4. Inspect for camera (Figure 3, Item 1) mounted to center top section of windshield.
 - a. Camera is present. Clean back of camera and install label (Figure 3, Item 2).

- b. Camera is not present (Figure 3, Item 2). Proceed to Step 5 (CE without manual door) or Step 6 (CE with manual door) or Step 7 (RE bus).

1 Dash Panel
2 Brake Knob
3 Label

- 6. For CE bus with manual door, clean the dash panel to the right of park brake knob and install label.

Figure 6
1 Dash Panel
2 Brake Knob
3 Label

- 7. For RE series buses, clean dash panel (Figure 6, item 1) to lower right of park brake knob (Figure 6, item 2) and install label (Figure 6, item 3).

IF YOU NEED ASSISTANCE

If you need assistance inspecting for the radar unit or installing the decal, take the decal and your bus to your nearest International dealer and they will perform the inspection and possible installation of the decal at no charge.

Navistar requests your prompt attention and patience regarding the correction of this defect and apologizes for any inconvenience this may cause you.
