Vehicle information:

VIN

2021 JEEP GRAND CHEROKEE LIMITED 4X4

Recall information: Z31/NHTSA 22V-284

Visit recalls.mopar.com for more information or call the FCA US Recall Team at
[1-800-853-1403](tel:1-800-853-1403).

Details of the Recall

The Exhaust Gas Recirculation (EGR) valve on your vehicle may stick in the open position. A stuck EGR valve may result in an unexpected loss of motive power, which increases the risk of a vehicle crash without prior warning.

FCA will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the EGR valve. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
