«City», «State» «ZIP»
«Country»

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exits in certain Jayco Model Year 2020-2022 Precept Class A vehicles.

Reason for this recall

The heat shield beneath the storage compartment and above the exhaust system needs to be extended to protect the storage compartment from the heat of the exhaust system. Without the extended heat shield the compartment may melt, increasing the risk of a fire.

Recall Remedy

The heat shield will be extended by a Jayco dealer to provide adequate protection for the storage compartment from the heat of the exhaust system. This repair should take approximately 15 minutes.

What we need you to do

Our records show the following unit is affected by this recall, and is part of the current inventory at your Dealership. **You will need to order repair parts to remedy the units in your stock.**

«Serial number»

Federal law requires the Recall Remedy be completed on this unit **prior** to customer delivery.

Please confirm the unit serial number requires the Recall Remedy using Unit Management in Jayco Partners. The instructions for the Recall Remedy are available under the Case Recall number in attachments.

If you sold this unit recently, please contact the owner immediately to inform them of this recall. In addition, please register this unit through Jayco Partners.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,
Compliance Management
