Component Description : NR

Component Part Number : NR

## Supplier Identification :

### Component Manufacturer

Name : Spartan Fire, LLC

Address : 1541 Reynolds Road  
Charlotte Michigan 48813

Country : United States

## Chronology :

CustomFIRE received the initial recall letter from Spartan Fire LLC in January of 2022 citing 3 affected chassis and an amended letter in May of 2022 with 2 additional chassis to be added to the recall.

## Description of Remedy :

Description of Remedy Program : A Meritor representative will contact you to schedule the axle pinion inspection and repair as needed. The inspection will need to be performed with a service technician and Meritor representative. The inspection will take approximately 1 hour. If it is determined that the pinion is fractured, Meritor will inform you and Spartan that the Differential Carrier Housing Assembly will need to be replaced. Contact your local Dealer for assistance with facilitating the repair. The repair will take approximately 5 hours to complete. There is no cost to the vehicle owner for the recall remedy.

Meritor and/or Spartan will contact all owners of these units that are affected by this recall. They will be directed to the appropriate service provider for repair. Spartan and Meritor are providing, free of charge, the necessary components to rectify the issue and will pay labor costs for inspecting and replacing the included components that have not already been replaced during normal maintenance.
