## ATTENTION: ALL DEALER PARTS & SERVICE MANAGERS

Kia America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Noncompliance Safety Recall Campaign on certain 2022 MY Telluride vehicles manufactured from September 9, 2021 through March 30, 2022.

The vehicle's instrument cluster contains an LCD screen which displays certain information. Due to an incorrect die applicator setting at the supplier, excess adhesive was applied to a circuit board within the instrument cluster. Excess adhesive may lead to a poor electrical connection and cause the LCD information display screen to go blank resulting in the driver's inability to see the odometer. As a result, the subject vehicles fail to comply with the visibility requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 101, "Control and Displays." This condition does not affect the functionality of the vehicle's underlying systems or dedicated telltale/warning lamps. The subject condition may increase the risk of a crash.

Kia will replace the instrument cluster assembly with a new one.

The Technical Service Bulletin that provides vehicle inspection and repair procedures, affected VIN production range, and warranty claim information will be posted on the Kia Global Information System (KGIS) at [www.kiatechinfo.com](http://www.kiatechinfo.com).

Enclosed you will find a copy of the owner notification letter and a Q&A Guide for recall questions, both of which describe the issue. Note that any vehicle owner who has already paid for related repairs can submit a request for reimbursement online via the Owner's Section of [www.kia.com](http://www.kia.com). Kia will mail notices to the affected vehicle owners on **July 15, 2022**.

Also, please make certain the appropriate personnel in your dealership are familiar with the details of this recall to ensure proper responses to customer inquiries and requests to have the recall performed on their vehicles. This Noncompliance Safety Recall represents an opportunity for your service department to deliver an exceptional service experience (e.g., flexible service appointment process, car wash and vacuum and timely service).

**NHTSA ADVISORY: It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.**

**LEGAL PRIVACY LIABILITY NOTICE:** Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this noncompliance safety recall campaign, and for no other purpose.

If you have any questions, please contact your Kia District Parts and Service Manager.

Sincerely,

Kia Service Department
