IMPORTANT SAFETY RECALL

(NHTSA Recall Number: 22V344)

This notice applies to your vehicle: **(Insert VIN)**

July 15, 2022

Dear Kia Telluride Owner:

Kia has identified a defect in your vehicle which relates to a noncompliance with a Federal Motor Vehicle Safety Standard (FMVSS).

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Kia America, Inc. has decided certain 2022 MY Telluride vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 101, "Controls and Displays." The LCD information display screen may go blank. A blank LCD information display results in the inability to see the odometer, which can increase the risk of a crash. Our records indicate that you own or lease one of the potentially affected vehicles.

What Is the Problem?

The vehicle's instrument cluster contains an LCD screen which displays certain information. Excess adhesive was applied to a circuit board within the instrument cluster. Excess adhesive may cause the LCD information display screen to go blank. A blank LCD information display results in the inability to see the odometer, which can increase the risk of a crash. This condition does not affect the functionality of the vehicle's underlying systems or warning lights.

Kia Will Replace The Instrument Cluster Assembly At No Cost To You.

Kia will replace the instrument cluster assembly with a new one. This recall will be performed at Kia's expense **at no cost to you.**

What Should You Do?

- In the interest of the safety of your passengers, as well as your own safety, please immediately contact your authorized Kia dealer to arrange for the recall to be performed. The estimated time required will be approximately one (1) to two (2) hours, depending on your dealer's schedule. We recommend that you contact your Kia dealer to schedule a service appointment by phone or online to minimize inconvenience.
- If the LCD information display screen on your vehicle goes blank prior to completion of this safety recall, please contact your authorized Kia dealer to arrange a service appointment as soon as possible. Kia Roadside Assistance is available online at kia.rsahelp.com or by phone at 800.333.4Kia (4542) to provide towing assistance.
