Ms. Charlie Webb
Regulatory Compliance Project Manager
Lucid Motors, Inc.
7373 Gateway Blvd
Newark, CA 94560

NEF-107ES
22V-351

Subject: Disabled Display Screens/FMVSS 101

Dear Ms. Webb:

This letter serves to acknowledge Lucid Motors, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LUCID/AIR/2022

Mfr's Report Date: May 18, 2022

NHTSA Campaign Number: 22V-351

Components:

ELECTRICAL SYSTEM: INSTRUMENT CLUSTER/PANEL

Potential Number of Units Affected: 1,117

Problem Description:

Lucid Motors, Inc. (Lucid) is recalling certain 2022 Air vehicles (all grades). The display wiring harness may not be secured properly, which can disable the display screens. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 101, "Control and Displays."

Consequence:

Disabled display screens will not show critical information, such as the speedometer, gear selection indicators, and warning lights, which can increase the risk of a crash.

Remedy:

Dealers will inspect and secure the wiring harness, as necessary, free of charge. Owner notification letters are expected to be mailed June 20, 2022. Owners may contact Lucid customer service at 1-888-995-8243. Lucid's number for this recall is NCR-22-01-0.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

An identification and description of the risk to motor vehicle safety reasonably related to the defect or noncompliance (49 CFR 573.6 (c)(5)). All filings should state an increased risk of either a crash, injury or fire.

AMENDED 573 REQUIRED.

We have received Lucid's proposed owner notification letter and envelope and they are currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Lucid Motors, Inc.'s contact for this recall will be Emily C. Smith who may be reached by email at emily.c.smith@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
