THIS NOTICE APPLIES TO YOUR VEHICLE – SEE VIN IN ANNEX A

December 12, 2022

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Nova Bus (US) Inc. has decided that a defect which relates to motor vehicle safety exists in certain Nova Bus LFS and LFS Artic Model Years 2019 to 2022 manufactured from February 2019 to January 2022 and equipped with a certain radiator fans electrical circuit fuse holder configuration.

Nova Bus (US) Inc. have voluntarily submitted the Vehicle Recall Report to NHTSA that generated the Safety Recall 22V416.

The service document CR5259 explaining the measures to be taken to remedy the affected vehicles will be published on its web site <https://us.novabus.com/customer-portal/>. The vehicle can be remedied starting from September 14th 2022. The remedy should take approximately 45 minutes to complete. The necessary replacement parts will be available via the Nova Bus Parts distribution network.
