

ANTI-LOCK BRAKE MODULE SOFTWARE

IMPORTANT SAFETY RECALL INFORMATION Z48/ NHTSA 22V-426

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

Dear: (Name)

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain **2018 and 2019 model year Dodge Durango and Jeep® Grand Cherokee vehicles**.

You were mailed an interim safety recall notice advising you of an issue related to the Hydraulic Control Unit Anti-Lock Brake System module (HCU/ABS) on your vehicle. After further investigation, it was determined that your vehicle does not contain the component that is the subject of the recall.

Because of this, your vehicle is NOT affected by this recall and there is no action required on your part in response to the previous letter you have received regarding this recall.

Based on this new information, your vehicle is being removed from the recall notification mailing list for Safety Recall Z48/NHTSA #22V-426.

If you have additional questions or concerns about this issue, please contact the FCA US Recall Information Center at 1-800-853-1403. An FCA representative will be glad to answer any further questions you may have regarding this issue.

We apologize for any inconvenience this issue may have caused. Thank you for your attention to this important matter.
