

## **SAFETY RECALL NOTICE 22V-442**

**To: All Grand Design RV Dealers**

**July 18, 2022**

Grand Design RV has determined a safety defect exists in certain 2022 Grand Design Momentum Travel Trailers produced between November 8, 2021, and January 24, 2022. Accordingly, a recall to address this issue is being initiated effective July 25, 2022.

Affected vehicles include **involve 2022 Momentum travel trailer recreational vehicles** manufactured between **November 8, 2021, and January 24, 2022**. The **VIN range** of affected units is:

**Momentum TT – 573TM2720N1216882 through 573TM2120N1217359 (non-sequential)**

The defect involves 110v power wired direct to the output of the solar inverter during the solar preparation install at the factory. This creates the potential for overloading the circuit, resulting in the potential for fire.

Owners of affected vehicles will be notified of this recall by mail. A copy of the Owner Notification Letter will be attached to the Dealer Notification Letter, which will also include detailed repair instructions and a VIN list of your affected units. Please find attached the inspection, repair and claim filing instructions associated with this recall action.

Should you have any questions or concerns, please contact Grand Design Technical Support at 574-825-6264 or 888-825-2820 and select the phone prompt for "Recall".

Respectfully,
