**Subject:** Letter in-lieu of a Dealer Notification

**Manufacturer number:** FL932, FL941, FL943, FL945

Ms. Smith,

There will be no Dealer Notification for safety recall 22V-339, 22V443, 22V456, 22V468.

DTNA has tracked all of the vehicles in this limited population and knows with certainty that none of the vehicles remain in the hands of a dealership. Due to the limited population subject to the recall, DTNA will work with the lone customer to get the vehicles repaired. Therefore, no dealership letter is needed in this unique case.

Please contact me if you have any questions.

Sincerely,

Sam Geser
