**Subject:** Passenger Seat Recline Mechanism Failure/FMVSS 210

Dear Ms. Belanger:

This letter serves to acknowledge Prevost Car (US) Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

PREVOST/X3-45 COMMUTER/2021-2023

**Mfr's Report Date:** July 11, 2022

**NHTSA Campaign Number:** 22V-496

**Components:**

SEATS

**Potential Number of Units Affected:** 168

**Problem Description:**

Prevost Car (US) Inc. (Prevost) is recalling certain 2021-2023 X3-45 commuter buses. The retention pin securing the passenger seat recline mechanism could fail, causing the mechanism to collapse, and result in a loose backrest. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 210, "Seat Belt Assembly Anchorages."

**Consequence:**

During a crash, the loose backrest and the seat belt may not properly restrain the occupant, increasing the risk of an injury.

**Remedy:**

Dealers will inspect and replace the retention pins and c-clips, if necessary, free of charge. Owner notification letters are expected to be mailed on August 22, 2022. Owners may contact Prevost's customer service at 1-866-870-2046.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
