**THIS NOTICE APPLIES TO YOUR VEHICLE.**

**RE: BODY SERIAL  
CHASSIS SERIAL**

Dear Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Our records indicate that you have purchased a vehicle with the serial number which appears above.

### **REASON FOR THIS RECALL**

Winnebago has decided that a defect related to motor vehicle safety exists on certain 2021-2022 Inspire motorhomes. These motor homes were manufactured May 17, 2021 through November 23, 2021.

The step support may be undersized to properly support the step. If there is not enough overlap between the step and support a person stepping onto the step cover could unexpectedly fall in the step well increasing the risk of an injury.

### **WHAT WE WILL DO**

Winnebago will replace your current step supports with properly sized supports. This will be at no charge to you.

### **WHAT YOU SHOULD DO**

**Do not use the step cover** until you have this recall completed. Please contact your Winnebago motorhome dealer immediately to arrange for an appointment.
