

Hello, I need to make an adjustment to the information I provided initially of the different model and model years and the count of each. There was a mistake, and they were all counted as 2023 product but it's actually some 2022 and some 2023. The place that I fill this out doesn't have enough characters to put it in.

This is what it should be:

Paradigm – 2022

- 295MK-214
- 310RL-199
- 340RL-156
- 370FB-201
- 382RK-1
- 372RK-45
- 385FL-261
- 390MP-196
- Total: 1273

Paradigm – 2023
