### **Important Safety Recall 22V530**

This notice is sent to you in accordance with the requirements of the Motor Vehicle Safety Title 49, United States Code Chapter 301, administered by the National Highway Traffic Safety Administration. This is to inform you that your vehicle may contain a non-compliance that could affect the safety of a person.

#### **Description of the vehicle (s) affected by the non-compliance**

---

Make	Lion
Model	Lion C
Model Year	2020 to 2024
Vehicle Identification Number (VIN)	See Appendix A
Recall number issued by NHTSA	22V530

#### **Description of the non-compliance**

---

During the performance of some tests, it was found that the Lion C parking brake system, if not properly adjusted, could possibly not meet the minimum CMVSS/FMVSS 105 regulation requirement, section S5.2.2.2. The parking brake may fail if it is not properly adjusted. Failure of the parking brake increases the risk of a crash.

#### **Corrective measures and precautions**

---

**Important note :** Please do not park or leave your vehicle on a slope to avoid unintentional movement of your vehicle when the parking brake is applied. Please follow this instruction until the non-compliance is resolved with our team of technicians.

Lion Electric will contact you as soon as possible to schedule a recall, which will be performed at the company's expense by one of our technicians.
