## IMPORTANT SAFETY RECALL

**Tiffin Wayfarer Recall # WAY-103**

August 15, 2022

### **Midas Rear Center Marker Light**

Dear Tiffin Motorhome Dealer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided certain, **2022 Midas Motorhomes**, fail to conform to Federal Motor Vehicle Safety Standard No. 108, "Lamps, reflective devices, and associated equipment".

Tiffin Motorhomes has become aware of the possibility that on these motorhomes, the rear center marker light was left off and the backup camera was put into the location for the rear center marker light. Not having the correct number of marker lights on the motorhome will impair the visibility of the motorhome to other drivers and may increase the risk of a crash.

Tiffin Motorhomes will have the location of the rear back up camera relocated and have a rear center marker light installed in the correct location.

Owners will be notified by mail about the recall and will be instructed to take their motorhome to a reputable service center **OR** dealer of **their** choice to have this repair completed. Tiffin Motorhomes is allowing 1 hour and 30 minutes for the repair to be completed.
