**UPDATES** Safety Recall: WRG-22 Impreza Headlamp Shipment

Due to a recent slowdown in demand, we have observed a buildup of inventory in our regional distribution centers. To address this situation promptly, our strategy involves force shipping 5 sets of headlamps to those retailers experiencing the most critical need.

By the week's end, our plan is to initiate the force shipments of WRG-22 headlamps to the top 100 SOA retailers by historical part RO count. These headlamp sets are designated for the specific purpose of rectifying issues among our 2017 MY customers.

Please be aware these parts are available for retailer ordering via PRIME at a level of 4 for all retailers at this time.

SOA will be sending retailers following parts:

84001FL00B- WRG-22 LAMP ASSY HEAD RH - Qty-5  
84001FL01B- WRG-22 LAMP ASSY HEAD LH - Qty-5

Orders will start shipping to retailers: 12/21/23  
Do not cancel orders or return these parts

If you have any questions or concerns please contact the Parts Information Coordinators (PICs) at 1-866-782-2782, prompt #1.
