WHAT IS THE PROBLEM?

On certain motorhomes affected by this campaign, the hydraulic lines may not have been properly routed, secured or protected. A damaged hydraulic line may leak or spray fluid, cause the risk of a fire, or cause property damage and/or personal injury.

Identify any warning which can precede or occur: Hydraulic hoses that are not routed, secured or protected may begin to chafe or blister. Hydraulic fluid may be visibly leaking under the motor home, an alarm may sound from the touch pad and/or hydraulic levelers may not operate properly.

WHAT SHOULD YOU DO?

Please make certain your motorhome is immediately inspected and repaired as necessary by contacting an **authorized REV Recreation Group Inc. dealer**.

For assistance locating an **authorized REV Recreation Group servicing dealer**, please call REV Recreation Group Owner Relations toll-free at:

(800) 322-8216

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV RV dealers have been supplied with all the information needed to enable them to inspect, and if defective, protect or replace damaged hoses.

The repair should take approximately two (2) hours to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

Alternately, you may scan the QR code at right, or navigate to the following URL to access the Fleetwood RV owners' web page and update any pertinent mailing information:
