NR

End : NR

 Not sequential**Description of Defect :**

Description of the Defect : There is not a secondary means of egress installed in the vehicle as required.

FMVSS 1 : NR

FMVSS 2 : NR

Description of the Safety Risk : If a vehicle rolls over onto the entry door or there is a fire that blocks access to the entry door, the vehicle will pose personal injury and potentially death to an operator.

Description of the Cause : During an egress window shortage the egress window was replaced with a non-egress window of the same size.

Identification of Any Warning None  
that can Occur :

## Involved Components :

Component Name 1 : 60 x 29 Window

Component Description : 60 x 29 Window

Component Part Number : N/A

## Supplier Identification :

### Component Manufacturer

Name : NR

Address : NR

NR

Country : NR

## Chronology :

On 8/31/2022, Forest River's Office of Corporate Compliance was made aware of an inspection that failed during a routine PDI inspection. It was found that there was not a secondary egress for means of escape.

On 9/1/2022, Forest River along with the manufacturing and purchasing records were able to determine the scope of vehicles affected.

On 9/2/2022, Forest Rivers Corporate Recall Committee voted to recall.

## Description of Remedy :

Description of Remedy Program : Forest River will provide all parts and labor free of charge to Consumers and Dealers. An authorized Forest River Dealer or Service Center will need to perform the remedy to inspect for a secondary egress window, and if found to only have one, a kit will be installed to make the window an egress, which provides a second means of escape.

What is the Forest River Customer Service Phone Number?

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized. Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.

Please send the service invoice to the following address:

Impression  
Forest River, Inc.  
Attn: WARRANTY MANAGER  
57490 CR 3  
Elkhart, IN 46517

How Remedy Component Differs from Recalled Component : The window will now be an egress window.  
Affected Component 60x29 Standard slider window  
Replacement Component emergency exit sticker and handle for 60x29 Egress slider window

Identify How/When Recall Condition was Corrected in Production : On August 31, 2022, the manufacturing plant locked their shipping yard. They inspected all vehicles, and remedied the vehicles that are affected. The egress window is now being installed as required beginning August 31, 2022.

## Recall Schedule :

Description of Recall Schedule : Forest River has the utmost urgency in our recalls. Forest River will send suspected VIN numbers to our third party vendor that is licensed to pull data on the current owner of the vehicles (as needed) once a formal NHTSA I.D. is provided. Forest River intends on pushing the mailing out as soon as NHTSA provides any correction(s) and an Acknowledgement Letter.
