IMPORTANT SAFETY RECALL

(NHTSA Recall Number: 22V760)

This notice applies to your vehicle: **(Insert VIN)**

December 9, 2022

Dear Kia Sorento Vehicle Owner:

Kia has identified a defect in your vehicle which relates to motor vehicle safety.

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Kia America, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2021-2022 MY Sorento vehicles equipped with 2.5-liter turbocharged gasoline direct injection (T-GDI) engines. The defect can result in loss of motive power, thereby increasing the risk of a crash. Our records indicate that you own or lease one of the potentially affected vehicles.

What Is The Problem?

The electric oil pump within the transmission in your vehicle may experience an internal fault due to a supplier error. As a result, your vehicle may set a diagnostic trouble code which will cause the check engine light to come on as well as a "stop safely immediately" message and an audible chime sound. If this occurs, the vehicle can be driven normally for 20-30 seconds before complete loss of motive power due to disengagement of the transmission drive gears occurs. Loss of motive power increases the risk of a crash.

Kia Will Inspect and, If Necessary, Replace The Transmission and Reprogram The Transmission Control Unit Free of Charge At No Cost To You.

Your authorized Kia dealer will inspect and, if necessary, replace the transmission. Your dealer will also reprogram the transmission control unit with updated software. This recall will be performed **free of charge at no cost to you**. The estimated time required to perform the recall will be approximately one (1) to two (2) hours. However, your vehicle may be needed longer, depending on the result of inspection. If a transmission replacement is necessary, the estimated time required is 6 to 8 hours or more. We recommend scheduling a service appointment to minimize your inconvenience. Please contact your dealer for an estimate of how long they may need your vehicle for this repair.

What Should You Do?

- In the interest of the safety of your passengers, as well as your own safety, please immediately contact your authorized Kia dealer to arrange for the recall repair to be performed on your vehicle.
- **WARNING:** If you experience audible "chimes", the "stop safely immediately" message on the instrument cluster and/or illumination of the malfunction indicator light (MIL), stop your vehicle at a safe location immediately and turn off the engine. **Contact Kia Roadside Assistance at 1-800-333-4542 or online at kia.rsahelp.com to request to have your vehicle towed to the nearest authorized Kia dealership as soon as possible.**
- To find your nearest dealer, visit www.kia.com and click the "Find Dealer" button in the upper right corner ("Dealers" on a mobile device). You can also use the QR code below with your mobile device to access this information (*see the bottom of this letter for more information about QR code use*).

What If You Have Already Paid To Have This Situation Corrected?

If you have incurred expense to remedy this issue prior to the date of this notice, you may have the opportunity to obtain reimbursement for that expense. You may submit your receipts online to Kia via the Owners section of www.kia.com or mail your receipts with a copy of the attached Request for Reimbursement form directly to Kia for review and consideration:

**Kia Customer Care Center
Kia America, Inc.
P.O. Box 52410
Irvine, CA 92619-2410
1-800-333-4542**

Pursuant to the General Reimbursement Plan issued by Kia pursuant to Federal Regulation 49 CFR 573.13, Kia will use its best efforts to respond to your claim within sixty (60) days of receipt and at that time Kia may either accept or reject that claim or it may request more information to evaluate the claim.

Have You Changed Your Address Or Sold Your Kia?

If you have changed your home address, sold your Kia vehicle, or no longer own your vehicle, please complete the attached prepaid "Change of Address/Ownership" card and mail it to us. You can also contact the Kia Customer Care Center phone number listed above.

What If You Are A Vehicle Lessor?

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

What If You Have Other Questions?

If your dealer does not respond to your service request in a timely manner, we suggest that you call Kia's Customer Care Center at 1-800-333-4542. This number has TTY capability. If you still are not satisfied that we have remedied this situation without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

This action has been taken in the interest of your safety, and we regret any inconvenience this situation may cause you.

Sincerely,

Customer Care Department

QR Code Use:

- A QR Code is a square, 2-dimensional barcode that can be read by mobile devices loaded with an appropriate barcode or **QR Code Reader App**. The app reads the barcode image and then launches/uploads the specific information the code contains, such as URLs, text, photos, videos.
- With a mobile device, **download a QR Code Reader App**. With many devices, you can do this through an app store or marketplace.
- **Open the QR Code Reader App on your mobile device. The app will utilize your device's camera. Center the code in the camera viewing area. With some apps, the URL or other information will automatically load when the code is recognized. For others, you may have to snap or take a picture of the QR code. Refer to the QR Reader Code App instructions.**
