

## **IMPORTANT SAFETY RECALL**

**This notice applies to your vehicle(s), see enclosed VIN list.**

**May 2023**

**FL957**

**NHTSA #22V762 (School Bus)**

### **Subject: Thomas Built Bus Roof Sheet Joint**

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Truck North America LLC (DTNA), on behalf of its wholly owned subsidiary, Thomas Built Buses, has decided that certain model year 2011-2023 Thomas Built EFX and HDX vehicles manufactured March 1, 2010, through August 1, 2022 fail to conform to the Federal Motor Vehicle Safety Standard No. 221 "School bus body joint strength."

On the affected vehicles, the adhesive may not have been properly applied in between the steel panels that forms the roof sheet lap joints. A body joint on a school bus with insufficient strength may increase the risk of injury in the event of a crash without prior warning.

A Daimler Truck North America authorized service facility will add additional mechanical fasteners to the joints on affected vehicles. The Recall will take approximately five hours and will be **performed free of charge**.

Please contact an authorized Daimler Truck North America dealer to arrange to have the Recall performed and to ensure that parts are available at the dealership. To locate an authorized dealer, search online at <https://northamerica.daimlertruck.com/contact-us>. Scroll down to "Locate a Dealer" and select the appropriate brand.
