Dear Ms. Hancock:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

BLUE BIRD/ALL AMERICAN/2023  
BLUE BIRD/VISION/2023

**Mfr's Report Date:** October 12, 2022

**NHTSA Campaign Number:** 22V-763

**Components:**

EQUIPMENT ADAPTIVE/MOBILITY  
STRUCTURE

**Potential Number of Units Affected:** 20

**Problem Description:**

Blue Bird Body Company (Blue Bird) is recalling certain 2023 Vision and All-American transit buses. The entrance door handrail has an under-sized diameter and is not compliant with Part 1192, Americans with Disability Act (ADA), Appendix A, Chapter 3, T303.3.2, which requires a minimum diameter of 1.25 inches.

**Consequence:**

A smaller handrail may be difficult to grip, possibly resulting in a slip or fall and increasing the risk of injury.

**Remedy:**

Dealers will replace the handrail, free of charge. Owner notification letters are expected to be mailed on December 7, 2022. Owners may contact Blue Bird's customer service at 1-478-822-2242. Blue Bird's number for this recall is R22CD-NSB.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
