BACK OVER PREVENTION:DISPLAY FUNCTION

Potential Number of Units Affected: 27,344

Problem Description:

Nissan North America, Inc. (Nissan) is recalling certain 2022 Titan, Titan XD, Frontier, and 2021-2022 Rogue vehicles. The in-vehicle infotainment (IVI) system may continuously reboot when the vehicle is restarted, which can result in an inoperative rearview display. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

Consequence:

An inoperative rearview camera display reduces the driver's rear visibility, increasing the risk of a crash.

Remedy:

The IVI software will be updated by a dealer, or through an over-the-air (OTA) update, free of charge. Owner notification letters are expected to be mailed November 18, 2022. Owners may contact Nissan's customer service at 1-800-867-7669. Nissan's numbers for this recall are R22B8, R22C1, and PC923/25.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
