

#FIRST_NAME,

**A Safety Recall has been issued on your
2023 Genesis Electrified G80's
Seat Belt Pretensioner.**

Recall 011G Remedy is Available

**This notice applies to your vehicle,
VIN: XXXXXXXXXXXXXXXXXXXX**

What will Genesis do?

Genesis takes our customers' safety as our highest priority. We want to notify you that our records indicate that this recall has not been completed on your vehicle.

Your Genesis retailer will install front seat belt pretensioner anti-separation protection caps for your vehicle. This procedure will be performed at **NO CHARGE**.

To ensure your safety and the quality of your vehicle, **please schedule an appointment with a Genesis retailer as soon as possible to complete the remedy procedure.**

You may also arrange for a complimentary Service Courtesy vehicle using Service Valet should you require alternate transportation during the service period.

Schedule appointment

What is the problem?

The front seat belt pretensioners may deploy abnormally in the subject vehicles, causing the MGG (Micro Gas Generator) to detach from the assembly.

An abnormal pyrotechnic pretensioner deployment could cause the pretensioner to explode, and project metal fragments into the vehicle occupant compartment, which may result in injury to vehicle occupants.

Additional Information

For more information about this critical recall including affected vehicles or frequently asked questions, you may view the [official Genesis campaign page](#) or visit the [NHTSA website](#).

If you require further assistance, such as questions on reimbursement or updating vehicle ownership, please visit the [Genesis Customer Assistance Center](#) or by calling Genesis Motors America at 1-844-340-9741.
