Subject: Compliance Recall 91EK – Rearview Camera

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that certain 2022-2023 model year Volkswagen vehicles fail to conform to Federal Motor Vehicle Safety Standard No. 111, *Rear Visibility*. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? On the affected vehicles, after shifting into reverse or manually activating the parking function, the rearview camera picture may not be displayed. The rearview camera image may not meet the regulatory response time requirement. A rearview camera with a deactivated image can reduce the driver's information of what is behind the vehicle, increasing the risk of a crash or injury to people outside the vehicle.

What will we do? To correct this noncompliance, your authorized Volkswagen dealer will replace the rearview camera. This work will take about a day to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

What should you do? Please contact your authorized Volkswagen dealer without delay to schedule this recall work. To set up an appointment online, please visit www.vw.com/find-a-dealer.

Precautions you should take If the rearview camera image is deactivated while in reverse, drivers should exercise further caution when reversing the vehicle. Additionally, on certain vehicles, the system may display information that the rearview camera is not available.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at www.vw.com/contact or by calling us at 800-893-5298.
