**Subaru Safety Recall WRJ-22**  
**NHTSA ID 22V-838**  
**December 2022**

**Dear Subaru Owner:**

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SUBARU OF AMERICA, INC. has decided that a defect, which relates to motor vehicle safety, exists in certain 2009-2013 model year Forester vehicles.

You received this notice because our records indicate that you currently own one of these vehicles.

**DESCRIPTION OF THE DEFECT AND SAFETY RISK**

Our records indicate that the left front seat belt assembly in your vehicle, installed as a replacement part, may have been assembled with a force limiter torsion bar that was not manufactured to specification. In the event of a crash, the seat belt assembly may not function as intended, increasing the risk of injury.

**WHAT SUBARU WILL DO**

Subaru will inspect the identification number on the left front seat belt assembly in your vehicle and replace the seat belt with a new one, if necessary, at no cost to you.

**WHAT YOU SHOULD DO**

Please contact your Subaru retailer (dealer) immediately for an appointment to have this repair performed, at no cost to you.

**HOW LONG WILL THE REPAIR TAKE?**

The time to inspect and replace the seat belt assembly, if necessary, is less than 40 minutes. However, it may be necessary to leave your vehicle for a longer period of time on the day of your scheduled appointment to allow your Subaru retailer flexibility in scheduling.

**OWNER INFORMATION**

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your information.

**IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR**

If you have already paid for repairs associated with this condition, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please send the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number to the address listed below.
