US Recall Team at **1-800-853-1403**.

Recall notice issued to:

Vehicle information:

VIN

2022 DODGE CHARGER POLICE RWD

Recall information: ZB3/NHTSA 22V-866

Visit recalls.mopar.com for more information or call the FCA US Recall Team at
1-800-853-1403

Details of the Recall

Shifter pawls that are not properly heat-treated may bend during use, which may prevent the shifter from properly engaging the DRIVE position detent. A shifter that has improperly engaged the DRIVE position detent may slip out of the DRIVE position while driving, resulting in an unexpected loss of motive power which can cause a vehicle crash without prior warning.

FCA US will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the shifter assembly. The estimated repair time is about 1 hour. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
