

IMPORTANT SAFETY RECALL

January 2023

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2019-2020 model year Cadillac XT4 vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM safety recall N222373320.

Why is your vehicle being recalled?

The rear-view camera (RVC) in these vehicles may fail or function intermittently. If the rear-view camera is not functioning properly, rear visibility is reduced, increasing the risk of a crash during a backing event.

What will we do?

Parts to repair your vehicle are not currently available, but when parts are available, your GM dealer will update the Video Processing Module (VPM) software. For 2019 model year vehicles, this will also require replacement of the (VPM). This service will be performed for you at **no charge**.

We are working as quickly as possible to correct this condition. When parts are available, we will send you another letter asking you to take your vehicle to your GM dealer to have your vehicle serviced. You can also check the status of this recall at: <https://my.gm.com/recalls>.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
