Subject: Incorrect Cargo Carrying Capacity Label/FMVSS 110

Dear Mr. Van Bronkhorst:

This letter serves to acknowledge Winnebago Towable's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

WINNEBAGO/MINNIE/2021-2022
WINNEBAGO/VOYAGE/2021-2022

Mfr's Report Date: November 29, 2022

NHTSA Campaign Number: 22V-884

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 63

Problem Description:

Winnebago Towable (Winnebago) is recalling certain 2021-2022 Voyage and Minnie travel trailers. The cargo carrying capacity label (CCC) on the trailer may show an incorrect load carrying capacity, which could lead to an unintentional overloading of the vehicle. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 110, "Tire Selection and Rims" and 120, "Wheels and Rims-Other Than Passenger Cars."

Consequence:

A trailer that is overloaded can cause a loss of vehicle control, increasing the risk of a crash.

Remedy:

Dealers will install new labels, free of charge. Owner notification letters are expected to be mailed January 13, 2023. Owners may contact Winnebago customer service at 1-574-825-5280 ext. 5220.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Winnebago Towable's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
