

IMPORTANT SAFETY RECALL

Safety Recall: Jayco- NHTSA # 22V-891 Spartan/Shyft Group-NHTSA # 22V-785 (22-14)	December 2022
--	----------------------

«Name»
«Address»
«City», «State» «ZIP»

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Entegra Coach and Spartan RV Chassis, a brand of Shyft Group, Inc., have determined that certain Model Year 2017–2019 Insignia and 2015-2017 Aspire Class A motorhomes fail to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS No. 121), “Air Brake Systems”. The affected vehicles are built on certain 2015 to 2019 model year K2 and MM model Spartan RV Chassis.

***Reason
for this
recall***

The combined volume of air in the air brake system may be insufficient. In increased braking events, there may be inadequate air volume for the service brakes which may lead to other unintended consequences that could increase the risk of a crash. A low air pressure telltale may illuminate, in addition to an audible alarm, in the event air pressure falls below a certain threshold.

***Recall
Remedy***

Spartan RV Chassis will replace one of the air reservoirs with a larger capacity reservoir. The repair is expected to up to 2 hours and will be performed at no charge. Due to scheduling times the service provider may need your vehicle for longer.

***What we
need you
to do***

Please contact your closest Spartan service center to schedule an appointment to have the remedy applied. For additional assistance, you may call Spartan RV Chassis Customer Product and Support at 1-800-543-4277.
