Engineering has brought to our attention that the part numbers listed in bulletin N222388911 will not display correctly in the Electronic Parts Catalog (EPC) when searching by VIN. These part numbers have not yet updated in the EPC. An additional column has been added to the parts table to clarify the correct part number to order. Please discard all previous copies of bulletin N222388911.

Please ensure that any parts ordered or installed are for the specific VIN being repaired.
