Williston, Fla. 32696

# SHADOW

Trailers, Inc

February 2, 2023

Dear Shadow Customer,

We were recently notified of a potential defect with the Dometic Manufacturing Company's Drop-In Stove Model# CE99-ZF/PI8022 that were manufactured by Suburban between August 1, 2020 and June 30, 2021. We have determined that your trailer with a VIN of **insert vin number here** falls within the timeframe of this campaign and this model stove may be installed in your trailer. Attached you will find a copy of the Safety Recall Report that was issued to Dometic by NHTSA. As of this date Shadow Trailers, Inc. has not had any reports of any Drop-In Stove issues in general or related to this campaign. We are confident that our installation protocol and system checks meet/exceed the Manufacturers requirements with our customers safety as the top priority. We are directing you to go to the Dometic Manufacturing website ([dometic.com](http://dometic.com)) or call the Dometic Customer Service Hotline @ **(888) 943-4905** for any questions regarding your particular stove. This recall is being conducted by Dometic and not Shadow Trailers, however, we wanted to make our customers aware of this campaign. Again, you must contact Dometic Manufacturing for any questions or concerns you may have.

Sincerely,

John Ryan/Shadow Trailers, Inc.
