## IMPORTANT SAFETY RECALL

NHTSA RECALL 23-057

VIA FIRST CLASS MAIL AND EMAIL

**To:** All Distributer Partners

**From:** RevHD

**Date:** 7/27/2023

**Subject:** Safety Recall - Oil Hubcaps (RHO-S01; RHO-T03; RHO-T03psi; RHO-T04; RHO-T04psi)

---

We write to advise you that RevHD is conducting a voluntary safety recall of certain oil and PSI oil hub caps manufactured from approximately September 2022 through May 2023. This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

If you are still in possession of any of the following RevHD hub cap part numbers, you should **cease selling those hub caps and quarantine them at your location effective immediately. Please note that it is a violation of federal law to sell a hub cap covered by this recall.**

RHO-S01  
RHO-T03  
RHO-T04  
RHO-T03psi  
RHO-T04psi

Hub caps with these part numbers were released with lenses that can become loose or dislodged if the wheel end reaches temperatures above 270°F, allowing lubricant to leak out of the wheel end. Lack of lubricant in the wheel end can cause the wheel bearings to overheat, resulting in bearing seizure, wheel end fires or a wheel-off condition, leading to an increased risk of a crash. Though wheel ends should not reach temperatures of this magnitude, RevHD is nonetheless conducting this recall to remove these hub caps from the market as part of its proactive commitment to safety.

RevHD will be finalizing recall procedures for these hubcaps in the coming days. RevHD is working with NHTSA to finalize written correspondence providing formal notification of this recall to owners. After NHTSA has approved the owner notification letter, you will be sent copies of that letter for you to send

707 Spence Lane,  
Nashville, TN 37217  
[www.revhd.com](http://www.revhd.com)

to your customers. Additionally, RevHD will be send you further information that you will need to begin returning these products and receive refunds for them. In the meantime, we ask that you do the above.

We regret any inconvenience this may cause you or your customers. We appreciate your help and understanding in helping us address this issue.
