## **New Safety Recall Advanced Communication – 57A**

FCA US LLC (FCA US) has announced a safety recall on certain Central Vision Park Assist Modules (CVPAMs) part numbers 68606053AA, 68382435AE, 68382435AF, 68606048AA, 68606048AB, 68606048AC, 68382478AI, 68382478AJ, 68606025AA, 68606025AB, 68606025AC, 68426135AG, 68606051AA, 68606051AB, 68606051AC, 04672884AF, and 04672884AG, intended for use on some 2022 through 2023 Model Year (WL) Jeep® Grand Cherokee and 2021 through 2023 Model Year (WL) Jeep® Grand Cherokee L and 2022 through 2023 Model Year (WS) Wagoneer and Grand Wagoneer vehicles.

### **REASON FOR THIS SAFETY RECALL**

Some of the above CVPAMs may contain software that may prevent the camera signal from passing through to the media screen under certain conditions. If installed in a vehicle, the vehicle operator will notice that the rearview image is not displayed if attempting to reference the image while backing. If this warning is not heeded, backing up without verifying it is safe to do so could lead to an increased risk of injury to people outside the vehicle.

The condition described above does not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 571.111 S6.2.6 requires that "The rear visibility system default to the rearview image being visible and meet the requirements of FMVSS No. 571.111 S6.2.1 (field of view) and S6.2.2 (image size) at the beginning of each backing event, regardless of any modifications to the field of view that the driver had previously selected." Vehicles with suspect CVPAMs may not display the rearview image during a backing event under certain conditions.

### **SERVICE ACTION**

FCA US will conduct a voluntary safety recall on all affected parts to repurchase suspect CVPAMs. If installed on a vehicle, FCA US will reprogram the CVPAM. The remedy for this condition is not currently available. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in 3rd Quarter of 2023.

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process for inquiries regarding involved vehicles.
