This notice applies to your vehicle, VIN:

**NHTSA Recall # 23V-104**

**Tiffin Recall # TIF-128**

April 21, 2023

### **Cahaba Suspension Springs for 2WD units**

Dear Tiffin Motorhome Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that a defect, which relates to motor vehicle safety, exists on the following models of motorhomes: **2021 and 2022 Cahaba 19SC Motorhomes, built between May 2021 and April 2022 and that are equipped with upgraded suspension springs.**

Tiffin Motorhomes has become aware of the possibility that on these motorhomes, the upgraded front suspension springs installed by Tiffin Motorhomes are incorrectly installed and that the upgraded rear suspension springs are incorrectly sized. If the upgraded front suspension springs are incorrectly installed, the suspension will not function as designed. If the upgraded rear suspension springs are the incorrect size, this may cause the spring to be over compressed and to detach from the motorhome and increase the risk of a crash.

Tiffin Motorhomes will have dealers inspect and if necessary, have the upgraded front suspension springs relocated to the correct position and will replace the upgraded rear suspension springs with ones that are correctly sized for the weight of the motorhome.

Please arrange to take your motorhome to a **reputable service center OR dealer of your choice** to have the correction completed. A list of Tiffin Motorhomes authorized dealers is available online at <https://tiffinmotorhomes.com/service-center-locations>. Please allow up to 1 hour for the correction and replacement of the front and rear suspension springs to be completed. This work will be completed at no charge to you, the owner.

If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required parts, instructions and time allowed for the repair. Tiffin Motorhomes will not pay over the allowed time unless the repair facility receives prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or [service@tiffinmotorhomes.com](mailto:service@tiffinmotorhomes.com).

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.

If owners have paid to have this repair completed, please send a copy of the invoice, that was paid by the owner to Tiffin Motorhomes at the following address: Tiffin Motorhomes, attn: Recalls, 105 2<sup>nd</sup> Street NW, Red Bay AL 35582 or by email to [service@tiffinmotorhomes.com](mailto:service@tiffinmotorhomes.com).
