SAFETY RECALL NOTICE 23V-550

Dear Lakota Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Lakota Trailers has decided a defect which relates to motor vehicle safety exists in the axle carrier of certain 2020 through 2024 Bighorn and Charger 5 & 6 horse trailers equipped with triple axles. The defect associated with the axle carrier increases the risk of a crash. To reduce the associated risk owners should not use the trailer until repairs have been completed.

Owners will be notified by mail regarding the recall and will be instructed to contact Lakota Customer Service to schedule repairs. Enclosed please find the repair instructions.

Attached is a list of trailer VINs. These trailers have been identified as sold to your dealership and affected by this recall. **Any trailers on this list void of retail owner information indicate them to be stock trailers in your inventory and must be remedied before retail sale.** If the trailer is retail sold, please forward Lakota Trailers the warranty registration immediately. We will then mail a notification to the owner.

Please be reminded, it is in violation of Federal law for you to sell or lease these 2020, 2021, 2022, 2023 & 2024 Lakota trailers covered by this notification until the recall has been performed. Substantial civil penalties apply to violations of this law.

Your assistance with this recall is appreciated. Should you have any questions or concerns and to schedule repairs to your in-stock trailers affected by this recall, please contact Lakota Customer Service at (574)848-1636 or service@lakotatrailers.com
