Pursuant to USC49CFR §577.13 – Notification to Dealerships and Distributors – Paragraph B

“It is a violation of Federal Law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by the notification under a sale or lease until the defect or noncompliance is remedied. Substantial civil penalties apply to violations of this law.”

–Forest River motorized and towable products are contained in this section-

CANADA: Pursuant to the Canadian Motor Vehicle Safety Act, section 5

Companies who sell new non-complying vehicles may be in violation of the Motor Vehicle Safety Act. Substantial penalties apply to violations of this law. This notice is being sent to you in accordance with the requirements of the Motor Vehicle Safety Act. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

Forest River has decided that a safety defect exists in certain 2024 Palomino Hardside and Softside Truck Campers. Forest River is recalling the defect model(s) to ensure the safety of our future retail consumers and your dealership. Forest River apologizes for any inconvenience this action may cause your dealership; however, safety continued satisfaction and our commitment to building great products are of the utmost importance to Forest River.

The identified VIN referenced in the attached document(s).

The designated Date range of production is 8/10/2023 through 8/30/2023.

DEFECT/NONCOMPLIANCE:

The incoming charge line from the vehicle may not have a battery management system (“BMS”) prior to being connected to the lithium battery.

EVALUATION OF RISK:

A direct feed without a battery management system (“BMS”) may allow over charging of the battery(s). This condition may result in an electrical fire, causing property damage or personal injury.

SERVICE PROCEDURE:

Remedy Instructions can be found on Dealer Connect
