Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

COACHMEN/ADRENALINE/2018-2024
FOREST RIVER/WORK AND PLAY/2020-2024

Mfr's Report Date: November 3, 2023

NHTSA Campaign Number: 23V-738

Components:

EXTERIOR LIGHTING

Potential Number of Units Affected: 2,235

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2018-2024 Coachmen Adrenaline and 2020-2024 Work and Play fifth wheels and travel trailers. The side marker lights may not reflect light as intended, which can make it difficult for other drivers to see the trailer. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Non-reflective side marker lights can reduce the trailer's visibility to other drivers, increasing the risk of a crash.

Remedy:

Dealers will install reflector stickers, free of charge. Owner notification letters are expected to be mailed December 13, 2023. Owners may contact Forest River Customer Service at 1-574-825-6302. Forest River's number for this recall is 320-1697.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
