23V-831

Subject: Missing Rearview Camera System/FMVSS 500 & 111

Dear Miro Kefurt:

This letter serves to acknowledge PILOT CAR EV INC.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

PILOT CAR/PC-2/2021-2023
PILOT CAR/PC-4/2021-2023
PILOT CAR/PC-6/2021-2023

Mfr's Report Date: December 7, 2023

NHTSA Campaign Number: 23V-831

Components:

BACK OVER PREVENTION: SENSING SYSTEM: CAMERA

Potential Number of Units Affected: 265

Problem Description:

Pilotcar EV INC (Pilotcar) is recalling certain 2021-2023 PC-2, PC-4, and PC-6 vehicles. The rearview camera and monitor were not installed. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 111, "Rear Visibility" and 500, "Low Speed Vehicles."

Consequence:

The absence of a rearview camera system reduces the driver's rear visibility, increasing the risk of a crash.

Remedy:

Dealers will install a rearview camera and monitor, free of charge. Owner notification letters are expected to be mailed December 22, 2023. Owners may contact Pilotcar customer service at 1-239-243-8023. Pilotcar's number for this recall is PC-2023-02.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Pilotcar's proposed owner notification letter and envelope and they are currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

PILOT CAR EV INC.'s contact for this recall will be Sarah Shiver who may be reached by email at sarah.shiver@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
