

Safety Recall Campaign 253: Rear Inner Driveshaft Assemblies – Dealer Best Practice

February 2, 2024

Document Topic	Date
• Remedy Not Available	02/02/2024

IMPORTANT: As required by federal law, dealers must not deliver new vehicles for sale or for lease to customers until all open recalls have been performed. Dealers must perform all open recalls on used vehicles, demo, and rental vehicles prior to placing them into customer use and whenever an affected vehicle is in the shop for any maintenance or repair.

To check vehicle specific recall applicability, access the “Vehicle Information” screen via WebDCS.

Recall Description

The subject vehicles contain rear inner driveshafts that could fracture due to improper heat treatment. A fractured inner driveshaft could result in a sudden loss of motive power while driving. A sudden loss of motive power while driving could increase the risk of a crash.

Applicable Vehicles (Certain)

- 2023MY IONIQ 5 (NE1) produced from 01/31/2023 – 02/27/2023 for sale in the U.S.
- 2023MY IONIQ 6 (CE1) produced from 01/26/2023 – 03/06/2023 for sale in the U.S.

Remedy Information

This remedy is currently under development and additional information will be provided once it has been developed for release by HMA.

Recommended Alternative Transportation

A Service Rental Vehicle (SRC) should be provided to customers who do not feel safe operating their vehicle until a remedy is available. In addition, a SRC may be required based on any other additional work on the vehicle that may need to be addressed during customer’s visit. If a SRC is not available, other options such as a 3rd Party Rental or Rideshare may be provided.

Warranty Information

Warranty information will be updated once remedy has been released by HMA.

Parts Information

Parts, if applicable, will be provided once a remedy has been released by HMA.

Additional Training & Resources

Remedy is currently under development. Applicable training courses related to this recall, if applicable, will be provided once a remedy has been released by HMA.

Sample Customer Talk Track

“During your visit today, I checked your vehicle for any open campaigns or recalls and found that your vehicle has an open recall without an available remedy. The recall states that it is a condition relating to the inner driveshaft

which may result in a loss of motive power while driving, increasing the risk of a crash. Once a remedy is available, Hyundai will notify you via First Class mail advising you to bring your vehicle to a Hyundai dealer to have it applied at no cost to you.”

Best Practice Checklist

Reservation: Did you check WebDCS for additional campaigns or recalls?

- Yes
- No** – Please ensure all open campaign(s)/recall(s) are identified and completed by the dealership if remedy/repair(s) are available.

Reception: Did you offer the customer Alternative Transportation?

- Yes
- No** – Customer should be offered if they feel unsafe in the operation of their vehicle prior to the release of the official remedy.

Customer FAQs

Q1: What is the issue?

A1: The subject vehicles contain rear inner driveshafts that could fracture due to improper heat treatment. A fractured inner driveshaft could result in a sudden loss of motive power while driving.

Q2: What are the affected vehicles?

A2: Vehicles include the following produced by Hyundai Motor Company (“HMC”) and for sale in the U.S. Market:

- Certain 2023MY IONIQ 5 (NE1) produced from 01/31/2023 – 02/27/2023
- Certain 2023MY IONIQ 6 (CE1) produced from 01/26/2023 – 03/06/2023

Q3: What is the safety concern?

A3: A sudden loss of motive power while driving could increase the risk of a crash.

Q4: Have there been any accidents or injuries?

A4: As of the filing to NHTSA on February 01, 2024, there are no crashes, injuries, fires, or fatalities attributable to this condition in the U.S. and Canada.

Q5: Will a Dealer Stop Sale be issued?

A5: No, as the involved vehicles are no longer in factory production or offered for retail sale.

Q6: What will be done (planned remedy) during the recall service at the dealer?

A6: All owners of the subject vehicles will be notified by first class mail with instructions to bring their vehicles to a Hyundai dealer for replacement of both rear inner driveshafts. This remedy will be offered at no cost to owners for all affected vehicles, regardless of whether the affected vehicles are still covered under Hyundai’s New Vehicle Limited Warranty. Additionally, Hyundai will provide owners of affected vehicles reimbursement for out-of-pocket expenses incurred to obtain a remedy for the recall condition in accordance with the reimbursement plan submitted to NHTSA on February 24, 2022.

Q7: When will owners be notified?

A7: Owners of the subject vehicles will be notified via First Class mail in late March 2024.
