Power steering system update
Your Lamborghini Gallardo with chassis number: «VIN»
S. Agata Bolognese, 10.09.2012

Dear Sir/Madam,

As a result of the continuous product monitoring, Automobili Lamborghini S.p.A. has found that, in rare cases, under persistent severe load conditions, the power steering high pressure pipe could be damaged, which could result in a small fluid leakage. Leaking fluid could touch hot engine areas, result in smoke and increase the risk of a fire. For safety reasons it is therefore necessary to repair these vehicles.

Your vehicle is one of the models affected.

Please contact an authorized Lamborghini Dealer or Service Point without delay to arrange an appointment. Please bring this letter and your Service Booklet with you when you visit the dealer, so that we can make all necessary entries.

We will update the power steering system free of charge in the estimated time from 2 to 5 business days depending on car configuration.

For further information you can contact Automobili Lamborghini S.p.A.

Tel. : **+39 051 9597282** (from 07.00 to 19.00 Italian Time)

Also your Lamborghini Dealer or Service Point is available to assist you.

We are sure you will appreciate the need for this precautionary measure, and regret any inconvenience caused by the extra workshop visit.

If you have sold your vehicle or have taken it out of service, please complete the enclosed reply sheet and return it to us by fax as soon as possible.

Your co-operation will be appreciated.

Yours sincerely,

Automobili Lamborghini S.p.A.
