

U.S. Department of Transportation  
**National Highway Traffic Safety  
Administration**

1200 New Jersey Avenue SE  
Washington, DC 20590

June 6, 2017

Mr. John Kobylarz  
Automotive Safety Office  
Jaguar Land Rover North America, LLC  
555 MacArthur Boulevard  
Mahwah, NJ 07430

NEF-150TB  
17V-341

**Subject:** No Warning if Front Turn Signals Fail/FMVSS 108

Dear Mr. Kobylarz:

This letter serves to acknowledge Jaguar Land Rover North America, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

JAGUAR/F-TYPE/2018

**Mfr's Report Date:** May 25, 2017

**NHTSA Campaign Number:** 17V-341

**Components:**

EXTERIOR LIGHTING:TURN SIGNAL

**Potential Number of Units Affected:** 18

**Problem Description:**

Jaguar Land Rover North America, LLC (Jaguar) is recalling certain 2018 Jaguar F-TYPE vehicles equipped with Highline headlamps. If a front turn signal indicator stops working, the visual and audible turn signal reminders do not flash or chime faster as required. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, reflective devices, and associated equipment."

**Consequence:**

Without the change to the flash and chime rate, the driver may not know that a turn signal is not working. If the turn signal is not working, other drivers will not be aware that the vehicle is turning, increasing the risk of a crash.

**Remedy:**

Jaguar will notify owners, and dealers will update the vehicle's software, free of charge. The recall is expected to begin on July 17, 2017. Owners may contact Jaguar customer service at 1-800-452-4827. Jaguar's number for this recall is H026.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

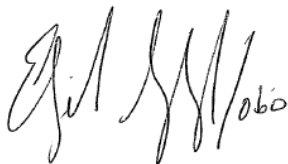

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Tariq Bond who may be reached by phone at 1-202-366-5472, or by email at tariq.bond@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Timian', with a date '1/11/06' written at the end of the signature.

Jennifer Timian  
Chief, Recall Management Division  
Office of Defects Investigations
