***** Campaign Summary *****

Infiniti is conducting a Voluntary Safety Recall Campaign on the affected vehicles referenced above to replace the driver's airbag inflator. The subject vehicles may have been equipped with driver airbag inflators manufactured out of specification by a supplier. As a result of this condition, affected driver airbag assemblies may not fully deploy in the event of a crash, which can increase the risk of injury to the driver seat occupant.

***** What Retailers Should Do *****

1. Verify if vehicles are affected by this Voluntary Safety Recall Campaign using Service Comm or DBS National Service History – Open Campaign I.D. R1722
2. Retailers should not sell, lease, trade, rent or loan any vehicles in retailer inventory affected by this recall campaign until after the vehicle has been repaired.
 - Retailers should not use Infiniti Courtesy Vehicles subject to this recall until repaired
3. If a retailed vehicle affected by this campaign ID visits the retailer for service, the retailer should inform the client about the recall campaign and communicate that parts are anticipated to become available the first week of **October 2017**.

******* Retailer Responsibility *******

It is the retailer's responsibility to check Service Comm or DBS National Service History – Open Campaign using the appropriate Campaign I.D. for the campaign status on each vehicle falling within the range of this voluntary safety recall campaign, which for any reason enters the service department. This includes vehicles purchased from private parties or presented by transient (tourist) owners and vehicles in retailer inventory. If a VIN subject to this recall campaign was part of a retailer trade, the letter associated with that VIN should be forwarded to the appropriate retailer for service completion.
