**TO: FCA US DEALERSHIPS**  
**ATTN: DEALER PRINCIPAL, SERVICE MANAGER, PARTS MANAGER**  
**SUBJECT: NO PARTS RESTRICTIONS on R25, R26, R37, R49**

At Mopar, parts are our business, and we want to make the ordering process as easy as possible on you.

There are no order restrictions on campaigns R25, R26, R37 and R49 - all of the campaigns that have a 100% completion target by 12/31/17.

R25 and R37 will remain on ARO with a BSL, however, if additional parts are needed they can be ordered without using the VIN Web Portal (no vin is needed for additional parts).

If pallets are needed, please see below on how many parts are included in a pallet.

- R25 and R37 - P812AA: 100 PCs = 1 pallet
- R25 - P811AA: 100 PCs = 1 pallet
- R26 - R261AA: 120 PCs = 1 pallet
- R49 - R262AB: 48 PCs = 1 pallet

Again, there are NO part restrictions, any number of parts can be ordered for Campaigns R25, R26, R37 and R49!

**Thank You for Your Support!**
