

PASSENGER AIRBAG INFLATOR

IMPORTANT SAFETY RECALL INFORMATION R26 / NHTSA 15V-312

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

Dear: (Name)

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain **2003 model year Dodge RAM 1500/2500/3500 Pickup trucks**.

Due to a recall processing issue, **your Dodge RAM truck was inadvertently included in the recall notification mailing list for Safety Recall R26 / NHTSA # 15V-312.**

FCA US LLC mailed safety recall notices in March 2016 and May 2016 notifying affected owners that your dealer will replace your passenger frontal airbag inflator.

After further investigation, it was found that your vehicle is equipped with an alternative passenger airbag design which is not defective, therefore, your vehicle has now been excluded from this safety recall.

If you have questions or concerns that your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either **fcarecalls.com** or 1 800-853-1403.

We apologize for any inconvenience this error may have caused, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
