Ms. Jennifer Shute
Sr Mgr Safety Recall Execution
Chrysler (FCA US LLC)
800 Chrysler Drive
CIMS 482-00-91
Auburn Hills, MI 48326

NEF-150SM
17V-485

Subject: Incorrect Software Combination/FMVSS 101

Dear Ms. Shute:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JEEP/RENEGADE/2017

Mfr's Report Date: August 2, 2017

NHTSA Campaign Number: 17V-485

Components:

ELECTRICAL SYSTEM: INSTRUMENT PANEL

Potential Number of Units Affected: 3,002

Problem Description:

Chrysler (FCA US LLC) is recalling certain 2017 Jeep Renegade vehicles. Due to a software issue, multiple malfunction indicator lamps may illuminate on the instrument panel when no malfunction exists. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 101, "Control and Displays."

Consequence:

If the malfunction indicator lamps illuminate at incorrect times, the driver may be unaware when a true malfunction occurs, increasing the risk of a crash.

Remedy:

Chrysler will notify owners, and dealers will update the Instrument Panel Control software, free of charge. The recall is expected to begin September 16, 2017. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is T50.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Chrysler's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
