RE: 2015 Crosstour
NHTSA Recall 14V-788

IMPORTANT

- **Your vehicle is included in a safety recall and should have the recall service done as soon as possible.**
- **Any authorized Honda dealer will perform the recall service at no charge to you.**

Dear Honda Crosstour Owner:

What is the reason for this notice?

Our records indicate that a SAFETY RECALL has not been completed on this vehicle; refer to the address card for the affected VIN. There is a possibility that the inflator tube, which is necessary to inflate the side curtain airbags, may not have been manufactured properly. An improper inflator tube could adversely affect the performance of the side curtain airbags in a crash, increasing the risk of occupant injury.

What should you do?

Please contact any authorized Honda dealer to schedule a service appointment. The dealer will replace your vehicle's side curtain airbags (depending on your VIN it could be left side, right side, or both sides). This work will be done *free of charge*.

Sincerely,

American Honda Motor Co., Inc.
