January 2016

NHTSA Recall 15V-874

IMPORTANT SAFETY RECALL

This notice applies to your vehicle.

Dear Honda VT750C/CA/CS/C2/C2B/C2F/C2S Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

What is the reason for this notice?

Honda has determined that a defect which relates to motor vehicle safety exists in certain 2010-2016 model year Honda VT750C/CA/CS, and VT750C2/C2B/C2F/C2S motorcycles. It is possible that long term exposure to engine vibrations may cause the bank angle sensor wiring to break, or be damaged. If the bank angle sensor wiring is damaged or broken, the engine may stall; if this occurs while riding, the risk of a crash will increase.

Even if you had your motorcycle's bank angle sensor replaced as part of NHTSA Recall 11V-310, your motorcycle is still affected by this recall and must have a new bank angle sensor installed.

What should you do?

Call any authorized Honda motorcycle dealer and make an appointment to have your motorcycle's bank angle sensor replaced *at no cost to you.*

Once you make an appointment for your vehicle, be advised that the complete inspection and repair time may take approximately 0.9 hours; however, please ask your dealer for the specific time your vehicle will need to be at the dealership.

For assistance with locating a Honda motorcycle dealer, you may call Honda Motorcycle Customer Support at:

1-866-784-1870 or use the "find a dealer" option on www.powersports.honda.com

Who to contact if you experience a problem?

You may write to or call:

American Honda Motor Co., Inc.
Motorcycle Customer Support
Mail Stop 100-4C-7B
1919 Torrance Blvd.
Torrance, CA 90501-2746.
1-866-784-1870

If you believe that American Honda or the dealer has failed or is unable to remedy the safety defect in your vehicle, without charge, within a reasonable period of time (60 days from the date you first contact the dealer for a repair appointment), you may submit a complaint to:

Administrator
National Highway Traffic Safety Administration
1200 New Jersey Ave., SE
Washington, DC 20590

Or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to:
[http:// www.safercar.gov](http://www.safercar.gov)

What to do if you feel this notice is in error.

Registration records indicate that you are the current owner of a 2010-2016 Honda VT750 involved in this campaign. If this is not the case, or the name/address information is not correct, please fill out and return the enclosed, postage-paid *Information Change Card*. We will then update our records.

What if you already had your vehicle repaired for this issue?

If you previously paid to have the bank angle sensor repaired or replaced, you may be eligible for reimbursement. Refer to the attached Instructions for Reimbursement for the eligibility requirements and the reimbursement procedure.

Lessor Information:

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.

We apologize for any inconvenience this campaign may cause you.

Sincerely,

**American Honda Motor Co., Inc.
Motorcycle Division**
