Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG (DAG), the manufacturer of Mercedes-Benz vehicles, has decided that certain Model Year 2016 GLE-Class vehicles fail to conform to Federal Motor Vehicle Safety Standard 108. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

On certain GLE-Class vehicles (166 platform), vehicles, the low-beam headlamps might not be adjusted according to specification and may deviate from the tolerance range required by Federal Motor Vehicle Safety Standard 108. A misaimed headlamp may not provide the optimal road illumination at night, and increase the risk of a crash.

What will your DEALER DO?

An authorized Mercedes-Benz Dealer will check the basic setting of the headlamps on the affected vehicles and correct it if necessary. This service will be provided free of charge. We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time is approximately **30 minutes**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see www.mbusa.com/recall. **Please mention you are scheduling an appointment to adjust the headlamps under Recall Campaign # 2016100003.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.
